Check-in starts 1 hour before bowling begins and, entries close 15 minutes before the start of bowling – all forms must be turned in by that time. The bowler must record each game and total them before turning them into the tournament office. If this is not done, the bowler will receive a zero for each game not recorded and may receive a zero for all games if the total is not done. The bowler must sign the score recap sheet along with an opponent. The bowler needs to make sure the total is correct and the recap sheet is signed before turning it in, or they could be disqualified.
